FW: Request to cancel September Portland Harbor Managers meeting

Chip and Eric:

Just to be clear, the LWG is suggesting we cancel the Portland Harbor Managers meeting for September because we have so much preparation going on for the Sept. 9th meeting with you to discuss the directive comments. Please do not interpret our request to cancel the manager's meeting as any indication that we do not see a path forward on the directive comments. Jim.

All -

At this time the LWG and EPA are focused on resolution of the draft RI and risk assessment comments. The LWG would like to cancel the September 8th Portland Harbor Managers meeting and does not see a need to reschedule the meeting.

Please let me know if you have any questions.

Thank you,

Jen Woronets ☺
